Valuable insights for better clinical and economic outcomes

Fall is in full swing! Is your practice considering the initiatives that will lead to improved patient outcomes and economic success for the upcoming year? We hope this latest newsletter issue offers valuable ways to help.

If you're considering investing in new equipment like EPAT to grow your practice and create improved patient outcomes, **be sure to revisit the significant tax benefits of Section 179**. Also, are you curious to know how your peers are using EPAT? Don't miss our latest success stories, highlighted below. And finally, be sure to check out our sample social media posts—they are just one example of the marketing tools CuraMedix provides to practices who invest in an EPAT device. We hope you enjoy!
